EL-HR30

Wi-Fi Handheld Remote Control

Provides whole home system. Control of entertainment lighting security, and climate.

The Nice EL-HR30 Wi-Fi remote leads with a 2.8" touch screen mounted flush for a remarkably sophisticated feel while navigating the intuitive Nice UI. Surf favorite channels, monitor security system, lock and unlock doors, dim lights, adjust the temperature and more, all with a simple touch. The screen enables a swipe left or right to quickly access multiple zones. Below it are three newly designated hard buttons, each of which can be personalized for one-button access to key systems. The 46 hard buttons make using the HR30 as incredibly robust as it is easy and intuitive. The Nice EL-HR30 features an updated 802.11 b/g.n radio and a built-in accelerometer to instantly wake the moment it's needed.
